### NYE COUNTY BRANCH OF NEVADA EQUAL FRANCHISE SOCIETY WITH-DRAWS IN A BODY STATE ORDER

#### Names Are Struck From Membership Roll and New Organization Is Rapidly Perfected

The Nye county branch of the Nevada Equal Franchise society, is no more and in its stead is the Nye county branch of the Nevada Non-Militant Equal Suffrage society. The dissolution of the old branch and the formation of the new society was explained Friday by the Bonanza. The members of the society, in the following statement, give the exact reason for the withdrawal from the old society. The statement follows:

"The Nye county branch of the Nevada Equal Franchise society met at the office of H. H. Atkinson in the State bank building on Thursday night for the consideration of report of delegates sent by that organization to the recent state convention at Carson City. The meeting was called to order by the president, Mrs. P. E. Keeler. The usual order of business was adhered to. A report on the convention held at Carson, which was signed by all the delegates from this society, was read by Mrs. Tallman to the society, the report being unanimously approved, hers and filed with the secretary. Upon motion, duly made and seconded, the report of Mrs. Hugh Brown on the convention held in Reno, which was a minority report on that convention, was read by Mrs. Brown to the society, discussed by the members and filed with the secretary. Upon motion, duly made and seconded, the report of Mrs. Clay Tallman on the convention held in Reno, which was a majority report, concurred in by Mrs. Zeb Kendall, was thereupon read to the society by Mrs. Tallman, discussed and filed with the secretary. This majority report had been unanimously accepted at a previous meeting of the society. The following communication was thereupon read:

"Tonopah, Nev., March 27, 1913.  
"Nevada Equal Franchise Society, Reno, Nevada.—Ladies: We, the undersigned, request that our names be stricken from the roll of membership of your society and in so doing we call attention to facts attendant at the recent state convention of your society:

"The report of the credentials committee, fixing the status of persons entitled to seats in that convention was never adopted, but state officers of the society were permitted to vote upon the question as to whether they should be seated without credentials from any branch society.  
"The report of the credentials committee recommended against two alternates from Washoe county, but in passing upon that question the two alternates were permitted to vote.

"Eight proxies, represented in person by duly qualified members of the convention, were refused recognition and the persons holding them were refused permission to vote upon the question of whether they should be permitted, although the state officers and alternates had been permitted to vote upon their own cases.  
"The president presented an order of business different from that provided in the by-laws, and ruled that, without adoption by the convention, such new order of business must govern its deliberations, thereby bringing the election of officers ahead of reports of special committees which included the legislative committee; and upon appeal being taken from her decision, the president refused to state the appeal to the convention or permit her ruling to be acted upon by the convention.

"A secret nominating committee was appointed before the convention, whose report was read to the convention, but the president refused to state who composed such committee, and no such committee was appointed by the convention, composed of its members.  
"Against the protest of the president, a resolution thanking the legislature for adopting the equal suffrage amendment was passed, but it expressly left it to the legislature to determine when the election should be held, but without authority of the convention, the president and committee changed the resolution to recommend that the vote be had at a time chosen by the committee, but not by the convention.  
"We do not favor such tactics and prefer not to be connected with an organization where such methods seem to prevail.  
"Signed—Mrs. P. E. Keeler, Mrs. Glenn Adams, Mrs. Wm. Grimes, Mrs. Zeb Kendall, Mrs. J. Grant Crumley, Mrs. Irving MacDonald, Mrs. A. T. Brann, Mrs. H. H. Atkinson, Mrs. T. R. Landsborough, Mrs. J. C. Robertson, Johanna Kelly, Mrs. Clay Tallman, Mrs. Elizabeth Knox, Mrs. A. M. Gillespie, Mrs. Frank Mannix, Mrs. H. C. Schmidt, Mrs. T. H. Lynch, Mrs. Fred Broadwell, Mrs. R. L. Sloan, Mrs. Henry Kind, Mrs. Odessa Davenport.  
"The above communication was founded on the report of Mrs. Tallman, concurred in by Mrs. Kendall, as delegates to the Reno convention. A motion, duly made and seconded, was carried, that the above communication be spread in the form of a resolution on the minutes of the society, the communication with the original signatures to be forwarded to the state secretary at Reno.  
The following call for a new organization was then read, with Mrs. Clay Tallman in the chair:  
"Tonopah, Nevada, March 27, 1913.  
—We, the undersigned, believers in the necessity of equal suffrage and the benefits to be derived from organized support of that principle in the immediate future, and being desirous of associating ourselves as a branch of the Nevada Non-Militant Equal Suffrage society, hereby unite in a call for an organization meeting to be held at the offices of McIntosh & Keeler, rooms 201-2 State bank building at eight o'clock p. m., March 27, 1913.  
"Signed—Mrs. J. E. Keeler, Mrs. A. M. Gillespie, Mrs. Odessa Davenport, Mrs. Clay Tallman, Mrs. Glenn Adams, Mrs. W. Grimes, Mrs. Z. Kendall, Mrs. Grant Crumley, Mrs. Irving MacDonald, Mrs. A. T. Brann, Mrs. Elizabeth Knox, Mrs. Frank Mannix, Mrs. H. C. Schmidt, Mrs. T. H. Lynch, Mrs. Fred Broadwell, Mrs. R. L. Sloan, Mrs. H. H. Atkinson, Mrs. R. T. Landsborough, Mrs. J. C. Robertson, Mrs. Henry Kind, Mrs. Johanna Kelly.  
"The new organization was called to order by Mrs. Tallman upon being elected permanent chairman of the meeting, Mrs. Odessa Davenport acting as permanent secretary for the meeting. The following officers were thereupon elected: President, Mrs. P. E. Keeler; first vice president, Mrs. A. M. Gillespie; second vice president, Mrs. F. P. Mannix; secretary, Mrs. Odessa Davenport; treasurer, Mrs. H. C. Schmidt.  
"The signers to the call for the new organization were enrolled as members. Mrs. Hugh Brown was tendered a membership in the new organization as was held by her in the old society. She declined, stating that the position she has taken with regard to the Nevada Equal Franchise society was such that she could not consistently accept, but expressed a desire, if possible, to be present at meetings of the new organization. Upon motion, duly made and seconded, Mrs. Hugh Brown was thereupon elected as an honorary member of

### GENEROUS CONTRIBUTIONS MADE TO EASTERN FLOOD SUFFERERS

Generous contributions of supplies for the Omaha and Ohio flood sufferers have been made by the people of Tonopah and tomorrow morning a half dozen large cases of clothing will be dispatched to Governor Cox, of Ohio by Rev. J. M. Swander, who is in charge of the local supply depot. Rev. Swander opened up a depot in the rear of the Epitaph brokerage office late Saturday and has been constantly receiving supplies since that time. He will remain at the depot until noon tomorrow and after that date requests that supplies be left at the church or parsonage.

Tom Dwyer, local agent of the Wells Fargo company, Saturday received word to transport supplies to the flood sufferers free of charge, and the Tonopah contributions will be shipped to the destination through this medium. The dispatch received by Dwyer was from Superintendent E. E. McMichael at Salt Lake City and read as follows:

"Relief supplies for Omaha districts and flood districts in Ohio and Indiana may be carried free when addressed to organized charitable institutions or municipal authorities. Waybill shipments free, account flood sufferers."

the new organization, which membership she graciously accepted. Upon motion, duly made and seconded, Mrs. F. H. Burnham, the only other dissenting member of the old organization, was elected to an honorary membership in the new organization, subject to Mrs. Burnham's acceptance.

"A committee on constitution and by-laws was thereupon appointed by the chair, to report at the next meeting of the new society, April 3, 1913, at 8:30 p. m., at the court house in Tonopah.

"Signed—Mrs. Elizabeth Knox acting press chairman of the Nye county branch, Nevada Non-Militant Equal Suffrage Society."

### YOUNG BURGLAR TO BE SENTENCED ALL FOOL'S DAY

#### FRANK BAKER ENTERS PLEA OF GUILTY TO BURGLARIZING RHYOLITE DEPOT.

Frank Baker, the youthful burglar who was arrested several weeks ago at Rhyolite after breaking in the Tonopah & Tidewater railroad depot, will be able to remember All Fools day hereafter without the aid of a calendar. Tomorrow will be All Fools day and during the morning hours Baker will be given a sentence in the district court that will probably result in his confinement in the state penitentiary for a year or more.

Baker, who was indicted Thursday night when the grand jury rendered a report, appeared before Judge Averill late Saturday afternoon to plead. He entered a plea of guilty and the time for pronouncing sentence was set for tomorrow morning.

Baker was arrested before he had time to secure any loot after forcing an entrance to the Rhyolite depot. Agent Shaver was awakened by the noise made by Baker as the latter attempted to force open the cash drawer, and immediately placed the intruder under arrest.

### FRANK DEXTER ENTERS PLEA OF "NOT GUILTY"

#### ALLEGED HIGH GRADER WILL FACE A JURY TRIAL IN DISTRICT COURT APRIL 21.

Botsford, who was jointly indicted with Dexter, likewise entered

### EXPLAINS VOTE ON BRIEF BILL IN THE SENATE

#### SENATOR SWEENEY DECLARES HE VOTED IN AFFIRMATIVE BUT WAS MARKED "NO."

The following article concerning Senator Sweeney's explanation as to his vote on the late lamented brief bill, is from the Carson Appeal. Nye county has two senators, both of whom voted against the brief bill, but as yet neither has taken time to explain the reason for voting in the negative when the bill was up for final passage. As a suggestion it might appear that explanations would be in order. The article from the Carson paper follows:

"Senator Sweeney, who is spending a few days on land matters before returning to his home, wants to be put right on the brief bill vote in the senate. The senator was in favor of the brief bill first, last and all the time. When the vote was taken he declared that he voted yes but was marked as voting no. He did not know that his vote was so chronicled until after the newspapers had taken the matter up and it was too late to change the roll call.

In explaining his vote he states emphatically that he had personal reasons for casting his vote yes, and that it could never have been changed under any circumstances. Several members declare that the Senator voted yes and was marked wrong. One member here at present declares with Senator Sweeney that he did vote yes. The comments have worried the senator and he feels doubly injured, as he was approached on the subject and said that he was with the printers all the time. While it is a matter of past history, Senator Sweeney has a right to be placed in the proper standing with the printing fraternity."

The vote in the senate on the bill was as follows:

Yeas—Baizer, Bell, Coryell, Dolf, Fulmer, Gaul, Mills—7.  
Nays—Arnold, Ascher, Bergman, Chapin, Hofferan, Horsey, Kendall, Mack, Scanlan, Stickney, Sweeney, Tannahill—12.  
Absent—Carpenter, Jones, Miller.

### TONOPAH WINS AN EASY VICTORY OVER GOLDFIELD

#### LOCAL HIGH SCHOOL LADS DEFEAT SOUTHERNERS BY SCORE OF 8 TO 4.

Tonopah was victorious yesterday in the baseball game with the Goldfield high school, defeating the team from the southern city by a score of 8 to 4. This ties the number of games won between the two teams and the deciding contest will be played in Goldfield, two weeks hence. Quillick pitched for the Tonopah high school yesterday and was never in better form, while his team mates gave him gilt edged support throughout the contest. One of the features of the game was the appearance of the local lads who were togged out in new suits furnished by Rotholz brothers.

The Goldfield boys played a fast game but Tonopah took the lead in the start and no opportunities were afforded for the visitors to even come within striking distance of the home talent. Last evening a dance was given the visitors in the lobby of the Mizpah hotel.

### BREAKDOWN IS ATTRIBUTED TO EMOTION CAUSED INVESTIGATION BY CONGRESS OF MONEY TRUST

ROME, Mar. 31.—J. P. Morgan, the American financier, died here five minutes past noon today.

He was unable to assimilate his artificial nourishment ministered during the morning and heart tonics were injected with no effect. For several hours before death he was in a state of coma, and unable to recognize any one at his bedside. He showed his suffering by a movement of his hand, and displayed no other evidence of vitality except by his heavy breathing.

When death was seen to be approaching the physicians forced Mr. and Mrs. Herbert Satterlee, his son-in-law, and daughter and Mrs. Helen Hamilton, who had been in constant attendance, to leave the room.

Dr. Malmsten Starr of New York, called in consultation, attributed the break down to emotion caused by the investigation of the money trust.

The body will be sent to the United States after funeral services here.

Rest Cure Prescribed.  
Last night Morgan's condition was restless although somewhat serious. On Saturday his physicians prescribed the "rest cure" for him. This meant that he would be deprived of seeing even his most intimate friends who were rigidly excluded from his apartments. During the evening it was officially announced that his condition remained unchanged, and that while he was not suffering from any specific disease his physicians, Professor Giuseppe Bastianelli and Dr. George A. Dixon were aiming at strengthening his entire organism.
